# SUMMER SAILSTICE

JUNE  
23

2018

Don't despair - Winter Solstice means Southern Sailing !

*Winter doesn't mean sailing is over, it's just somewhere else!*

If you're feeling a little glum because the days are short and the nights are long, and your sailboat is wrapped up tight or sheltering under cover, remember that the solstice means the days will now get longer - the seasons will change and summer will return. To keep that idea alive, take a look at just some of the [sailing activity happening in the Southern Hemisphere](#). Perhaps it will help while away

If you're feeling a little glum because the days are short and the nights are long, and your sailboat is wrapped up tight or sheltering under cover, remember that the

the long winter hours and keep your next 'Summer of Sailing' at the forefront of your mind, and on your calendar.
